

Conference on "Maritime Career Opportunities and Entrepreneurship" will be held on 25 September in Tuzla, Istanbul

The multiplier event; conference titled as "Maritime Career Opportunities and Entrepreneurship at Maritime Sector" will be held at Tuzla Piri Reis Mesleki ve Teknik Anadolu Lisesi (Maritime Vocational School) Tuzla, Istanbul – Turkey on 25 September 2019, Wednesday from 10:00 to 13:00 (GMT+3) within the framework of Erasmus+ KA2 Strategic Partnerships for VET (Development of Innovation) Project, "Searching the Extensive Application at Maritime Protocol (SEAMAP)". **Tuzla Kaymakamligi – District Governorship** (www.tuzla.gov.tr) from Turkey, **Turk Loydu** (www.turkloydu.org) from Turkey, **Sea Teach** (www.sea-teach.com) from Spain, **Danmar Computers** (www.danmar-computers.com.pl) from Poland, **Constanta Maritime University** from Romania are involved as partners in the consortium. The project is coordinated by **Lucent Maritime** (www.lucentmaritime.com), the first MLC certified company operating crewing services based in Istanbul – Turkey. Lucent Maritime is a subsidiary of **LAM Lyonel A. Makzume Group of Companies** (www.lam-world.com)

In this event the project intellectual outputs: "Maritime Career Platform" and "Entrepreneurship Training Material for Maritime Sector" developed by the experts from the project consortium will be promoted and disseminated among the target groups and the stakeholders. Maritime career platform www.see4sea.com will make important contributions to close gap between vocational training and working life. The representatives from maritime and shipbuilding sectors will participate in the so-called event.

The main benefits of the project are to improve the attractiveness of the maritime industry, to provide increased mobility across, to foster the career guidance, to enhance the placement opportunities and to develop the entrepreneurial competences of the people at maritime and VET sectors.

Even though the project which has been implemented with the support from Turkish National Agency and funded by European Commission for two years will officially end on 30 September 2019, the interactive platform will continuously serve maritime sector with regular updates (job offers and announcements) in terms of sustainability of the project.
